Topic: Malaysia's Labour Market Divide 2021-2026

Goals: Expose structural inequality - who works, who struggles, whose wages differ

Target audience: public, students, workers

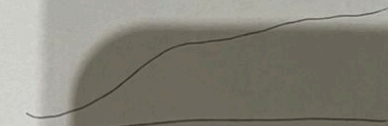

Sections:

① The Participation Picture

who is in the labour force? Recovery post pandemic, but gender & age gaps persist

Chart 1

Labour force growth 2021-2026

Line chart - time on x, workforce size on y

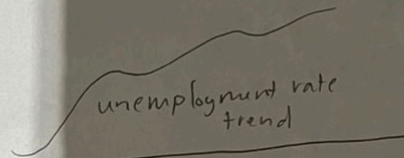

Chart 2
Labour market position by state
